Business Succession Planning

Business succession planning is all about being prepared. The loss of valuable leadership can cripple even the strongest of companies. Succession planning is an essential component to the survival and growth of any business. Whether it is grooming employees to become leaders, or preparing for an employee's retirement your participants will identify common obstacles and how to overcome them.

Our Business Succession Planning workshop will show you the differences between succession planning and mere replacement planning. How you prepare people to take on leadership responsibilities is just as important as hiring the right person for the job. Every company should have a form of succession planning in its portfolio.

Contract Management

It is easy to overlook the importance of contract management because it seems to be a boring, mundane topic. Contracts, however, are the basis of most business relationships. If contracts are managed well, business relationships will flourish. If they are not, companies face financial loss, relationship harm, and damaged reputations.

With our course your participants will learn the insides and outs of Contract Management. Contracts are made with vendors, employees, customers, partnerships, and these agreements must be managed carefully. In order to effectively implement Contract Management it is necessary to understand all the small details, and that is what you get with this workshop.

Employee Recruitment

Many companies simply wait for talent to come to them. Simply advertising an open position and hoping that you find the right talent does not guarantee that you will find the best people. Actively seeking out qualified candidates is the best way to ensure that you find the talent that you need. Recruitment is essential to the success of your business.

Our Employee Recruitment workshop will guide your participants and help them interview and recruit the right employee for you. Hiring a new employee is one of the largest investments you make in any business. Hiring the right employee is very important, as training can be expensive, and employee turnover costs companies millions every year. So, reduce your costs with a great employee recruitment program!

Employee Termination Processes

Having to fire an employee is never an easy task. Sometimes, despite attempts of open communication and encouraging performance, an employee will need to be terminated from the company. One of the hardest aspects of preparing to fire an employee is to separate the emotions from the facts. Firing an employee should always be a last resort, so it is important that the manager has covered all other avenues possible before moving forward.

With our Employee Termination workshop, your participants will begin to see how important it is to develop a core set of skills when they find themselves in a situation where they have to let an employee go.

Human Resources Skills Courses

Generation Gaps

While having various cultures in one workplace can present communication problems and conflicts, the benefits of such a variety in the workplace outweigh it. The workplace can present challenges to management in terms of handling the different generations present. As older workers delay retiring and younger workers are entering the workforce, the work environment has become a patchwork of varying perspectives and experiences, all valuable to say the least.

The Generation Gaps workshop will help participants understand the various generations present at work. Both the young and older worker will have ideas and suggestions to offer, which will help the organization thrive in the marketplace. Learning how to deal with the Generation Gaps at work will help you become a better manager or co-worker.

Measuring Results From Training

Although we all know that training can have many amazing benefits, sometimes it can be hard to prove those benefits with a dollar value to training. Some topics, like sales training or time management, might have direct, tangible benefits. Other topics, like communication or leadership, might have benefits that you can't put a dollar value on.

Our Measuring Results From Training course, your participants will learn about the different ways to evaluate training progress, and how to use those results to demonstrate the results that training brings. Once the training has been evaluated the next step is to modify and update the curriculum to create content that is better suited for the participants.
