# Personal Development Skills Courses

## Anger Management

Controlling and limiting anger is important in every aspect of one's life. Without control you are putting limits on what you can accomplish. Anger can be an incredibly damaging force, costing people their jobs, and personal relationships. However, since everyone experiences anger, having a constructive approach to manage it effectively can turn it into a valuable asset.

Our Anger Management workshop will give your participants that constructive approach. Participants will learn how to identify their anger triggers and what to do when they get angry. Through specific coping and planning techniques, anger can become a positive tool.

# Personal Development Skills Courses

## Attention Management

A distracted employee is a less effective employee. Employees who do not pay attention can waste valuable time and make careless mistakes. Your participants will be more efficient at their job, make fewer mistakes, and be more productive overall.

Attention Management is a useful skill that allows managers to connect with their employees on an emotional level and motivate them to focus on their work. Our workshop will help your participants reach their personal and in turn company goals. They will gain valuable insight and strategies into what it takes to be more attentive and vigilant.

# Personal Development Skills Courses

## Being A Likeable Boss

Being more likeable is a quality everyone can increase and improve. Being likeable and a figure of authority is where some challenging conflicts can arise. With this workshop your participants will recognize these possible areas of conflict and develop the skills and knowledge to overcome them.

Our Being a Likeable Boss workshop will show that honesty and trust will be your participant's biggest tools in fostering a better relationship with their employees. Trusting your team by avoiding micromanagement, using delegation, and accepting feedback will put your participants on the right path to be a more likeable boss.

# Personal Development Skills Courses

## Critical Thinking

Critical Thinking provides you with the skills to analyze and evaluate information. With these skills you are able to obtain the greatest amount of knowledge from a piece of data. It provides the best chance of making the correct decision, and minimizes damages if a mistake does occur.

Our Critical Thinking workshop will lead your participants to be a more rational and disciplined thinker. It will reduce their bias which will provide a greater understanding of their environment. This workshop will provide your participants the skills to evaluate, identify, and distinguish between relevant and irrelevant information which will provide an incredible boost in performance.

# Personal Development Skills Courses

## Emotional Intelligence

Emotional intelligence describes the ability to understand one's own feelings. It also provides great insight on how emotion influences motivation and behavior. The concepts of Emotional Intelligence have been around since the early 20th century, but the term was first introduced by Wayne Payne in 1985.

With our Emotional Intelligence workshop your participants will gain a better understanding of self-management and self-awareness. This in turn will give them better insight and control over their actions and emotions. With a greater understanding of emotions your participant's will experience a positive impact on their professional and personal lives.

# Personal Development Skills Courses

## Goal Setting and Getting Things Done

Goal Setting is one of the most basic and essential skills someone can develop. We touch on goal characteristics, time management, and what to do when setbacks occur. This workshop will provide the knowledge and skills your participants need to complete more tasks, and get things done.

Our Goal Setting and Getting Things Done workshop will cover strategies to help your participants deal with distractions and overcome procrastination. These skills will translate into increased satisfaction in their professional and personal lives. Your participants will learn the Goal Setting characteristics of successful people and in turn will become happier and more productive individuals.

# Personal Development Skills Courses

## Improving Mindfulness

Improving mindfulness is about understanding yourself and being “in the moment”. Your participants will become more mindful of their actions and learn how to express and interpret their present environment. They will create positive connections and increase their self-regulation of attention and personal experiences.

Improving Mindfulness will provide benefits throughout their professional and personal lives. Improving mindfulness through gratitude, filtering, and active listening will give your participants the advantage of seeing things in a new light. This workshop has the ability to give your participants an increased recognition of mental events in the present moment which provides countless benefits.

# Personal Development Skills Courses

## Improving Self-Awareness

Self-awareness is developing an understanding your emotions and feelings. It is an awareness of the physical, emotional, and psychological self. Your participants will identify ways of recognizing all of these and improving each through various cognitive and learning styles.

Improving Self-Awareness will improve self-control, reduce procrastination, and develop mood management. Your participants will improve their relationships and create a more fulfilling life. These improvements will in turn translate into a wholly improved workforce. Stress will decline and productivity will increase as internal turmoil will decline all through improving self-awareness.

# Personal Development Skills Courses

## Increasing Your Happiness

Increasing ones happiness can be done through the power of positive thinking. That is one skill that this work shop will touch on to teach your participants how to be happier. Happiness will spread throughout your organization, and have a positive effect on everyone.

With our Increasing Your Happiness workshop your participants will engage in unique and helpful ways to increase their happiness. This will have a robust effect on their professional and personal lives. It will improve their communication skills, increase productivity, and lesson absenteeism.

# Personal Development Skills Courses

## Job Search Skills

Searching for a job can be intimidating. How do you know what job you're best suited for? How do you build a winning resume and cover letter? Where can you find job leads? How do you network without feeling nervous? What happens when you land an interview? And most importantly, where do you find help when you need it?

The Job Search Skills workshop will give you the answers to all these questions, plus a plan to get you to a new job within a month. After completing this program, you'll be more than ready to start your search for your perfect job. Identifying the purpose for working and the assessment of skills can help determine the types of jobs your participants should apply for.

## Life Coaching Essentials

Many people often mistake a life coach for a mental health professional, such as a psychiatrist or a therapist. This misconception often leads people to believe they do not need a life coach since they feel as though nothing is wrong with their mental health. However, a life coach is designed to help improve a person's professional and personal life by working with them to achieve their goals.

With our Life Coaching Essentials workshop, your participants will discover the meaning of life coaching and how life coaching services can be utilized to achieve their goals.

## Managing Personal Finances

For many people, finances are an unsolvable Rubik's cube filled with anxiety. We don't teach children when they are young the value of a good credit score. Many people have a hard time formatting and sticking to a budget. You can easily solve the finance puzzle with a little hard work, self-control, and the right tools. Today is a new day; you are taking the first steps to reclaiming your financial freedom.

Most people know that a map can tell them how to get from point A to point B. A well developed budget is just like a map as it helps you reach your financial goals. You start at point A, and the budget helps you go the distance get to point B. And with our Managing Personal Finances workshop your participants will learn how to budget, and create a plan for their future.

# Personal Development Skills Courses

## Managing Workplace Anxiety

The workplace is one of the leading locations where people experience stress and anxiety. Every employee will encounter it sometime during their career. Everyone should be aware of the signs of anxiety and the tools needed to cope and deal with it.

Our Managing Workplace Anxiety workshop will provide your participants the important skills and resources to recognize and manage workplace anxiety. By identifying these symptoms and coping skills employees and managers will be better suited in dealing with these common situations. Through this workshop your participants will be better suited to the challenges that the workplace can bring.

# Personal Development Skills Courses

## Personal Productivity

Most people find that they wish they had more time in a day. This workshop will show participants how to organize their lives and find those hidden moments. Participants will learn how to establish routines, set goals, create an efficient environment, and use time-honored planning and organizational tools to maximize their personal productivity.

Personal Productivity is a goal most of us have. Through this workshop your participants will be on the right track in achieving that goal. Some people blame everything that goes wrong in their life on something or someone else, but through this workshop your participants will take ownership and begin to lead a more productive life.

# Personal Development Skills Courses

## Public Speaking

According to a 1973 survey by the Sunday Times of London, 41% of people list public speaking as their biggest fear. Forget small spaces, darkness, and spiders, standing up in front of a crowd and talking is far more terrifying for most people. Through this workshop your participants will become more confident and relaxed in front of an audience which will translate into a successful speaking event.

However, mastering this fear and getting comfortable speaking in public can be a great ego booster, not to mention a huge benefit to your career. The Public Speaking workshop will give participants some basic public speaking skills, including in-depth information on developing an engaging program and delivering their presentation with power.

# Personal Development Skills Courses

## Social Intelligence

Social Intelligence is about understanding your environment and having a positive influence. Your participants will become more confident in their social situations by learning how to express and interpret social cues. They will create positive connections and increase their influence during social situations.

Increasing Social Intelligence will provide benefits throughout their professional and personal lives. It is a fantastic tool for coaching and development as people will learn “people skills”. Improving social skills through active listening, understanding body language, and being more empathic will give your participants the advantage in their interactions. Social interactions are a two way street, know the rules of the road!

# Personal Development Skills Courses

## Social Learning

Social Learning is an effective way to train your employees through modeling positive behaviors. It is a great way to promote cohesion and involvement as it builds a culture of learning. Your participants will learn the best way to conduct role plays, share best practices, and provide constant and immediate feedback.

With our Social Learning course your participants will be creating learning communities that benefit every aspect of your organization. They will learn new behaviors through observation and modeling and be instilled with a passion for learning.

# Personal Development Skills Courses

## Stress Management

Positive and negative stress is a constant influence on all of our lives. The trick is to maximize the positive stress and to minimize the negative stress. Your participants will be shown how stress can be positive and negative, and we'll look at the Triple A approach that will form the basis of this workshop.

The Stress Management workshop will give participants a three-option method for addressing any stressful situation, as well as a toolbox of personal skills, including using routines, relaxation techniques, and a stress log system. They will also understand what lifestyle elements they can change to reduce stress.

# Personal Development Skills Courses

## Taking Initiative

Taking the initiative is a crucial step in moving forward in our professional and personal lives. By showing initiative, it reflects us in a positive light to others as well as builds our own self-esteem. If we want something to happen, we need to make it happen. That is what initiative is all about. Take opportunities and run with them. Do not let excuses cause you to miss out on amazing opportunities. See what you want, believe what you want, and make it happen.

With our Taking Initiative workshop, the class participants will learn what initiative is, how to take it on, the advantages of it, and when to know one's place. By enrolling in this class, participants will be taking the first step in making something positive happen for them! Now that is initiative!
